

INSTRUCTIONS FOR AUTHORS

1. Periodicals which are published:

Agricultural Engineering has been published under the auspices of the Polish Society of Agricultural Engineering. The journal has been published in English since 2014. The journal publishes materials presented at the national and the international conferences and scientific trainings, dissertations and scientific monographs. The editor's office is located in the Faculty of Production and Power Engineering of the University of Agriculture in Krakow, ul. Balicka 116B, 30- 149 Kraków. Editor-in-Chief: prof. dr hab. Maciej Kuboń; Deputy/Managing Editor: prof. dr hab. Sławomir Kocira, e-mail: journal@ptir.org.

2. Types of publications

2.1. Review articles, up to 15 pages of A4 typescript presenting a state and a direction of development of science in the field of the selected topic.

2.2. Scientific articles, up to 10 pages of A4 typescript, including original results of the finalised theoretical or experimental research, the content of which may influence the increase of the scientific knowledge concerning agricultural engineering.

3. General and formal requirements concerning the preparation of the studies

3.1. Materials, which are submitted to the Editor through the web page <https://agriceng.org/> should be complete (with an abstract, key words, tables, indexes, figures and bibliography); unambiguous with clearly determined hierarchy of titles (main title, titles of sections, subtitles, correctly numbered pages, precisely indicated illustrations, precise formulas, special signs, etc.) and final (author's modifications are possible only in justified cases) except for modifications introduced upon the request of reviewers, subject Editors or the Editor's office. The articles should be sent in English.

3.2. Please use the paper template https://sciendo-parsed-data-feed.s3.eu-central-1.amazonaws.com/AGRICENG/Paper_Template.docx

3.3. Formal requirements

- **a title of an article**, placed at the beginning of an article,
- **subtitles** should not exceed one line;
- **Authors' names and last names**, names of institutions, where they are employed (in case of the University Centres, a name of the Institute, the Department or the Unit should be additionally given);
- **Author's contact details** (name, last name, e-mail, full address data, ORCID) in case of joined paper please indicate one contact person;
- **abstract**, which should contain the objective and the scope of the study, methods of research and the most essential conclusions (min. 10 lines);
- **key words** written with small letters in a singular form (min. 4- max 8 words);
- **introduction** (initial presentation of issues, which are discussed in the article, justification of the chosen subject);
- **objective and the scope** of the study and descriptions of the research methods;
- **main part** (ca. 2/3 of the content)- description and analysis of the research results;
- **conclusion** (a concise summary of the issues discussed in the article) or conclusions strictly resulting from the presented results;
- **Author Contributions:** For articles with several authors, specifying their individual contributions must be provided. The following statements should be used Conceptualization, X.X. and Y.Y.; methodology, X.X.; software, X.X.; validation,

X.X., Y.Y. and Z.Z.; formal analysis, X.X.; investigation, X.X.; resources, X.X.; data curation, X.X.; writing—original draft preparation, X.X.; writing-review and editing, X.X.; visualization, X.X.; supervision, X.X.; project administration, X.X.; funding acquisition, Y.Y. All authors have read and agreed to the published version of the manuscript. Authorship must be limited to those who have contributed substantially to the work reported.

- **Conflicts of Interest:** Declare conflicts of interest or state “The authors declare no conflict of interest”. Authors must identify and declare any personal circumstances or interest that may be perceived as inappropriately influencing the representation or interpretation of reported research results.
- **Funding:** Please add: “This research received no external funding” or “This research was funded by NAME OF FUNDER, grant number XXX”. Check carefully that the details given are accurate.
- **Acknowledgments:** In this section, you can acknowledge any support given which is not covered by the author contribution or funding sections.
- **references - min. 15 literature titles** (all sources should be given, which were used in the study, including websites according to APA quoting scheme).
